Don't rent an apartment when you can rent a home.

Silver Springs is perfect for growing families, business professionals in transition or those waiting for construction to be completed. This brand new 55 home rental community offers casual, elegant, well appointed homes in 1-story single level units or 2-story town homes. Silver Springs is close to an elementary and middle school, shopping and ten minutes from downtown via Highway 99.

Every home at Silver Springs features 3 bedrooms, 2 bathrooms and up to 1,500 square feet. Living will be easy as each comes complete with a full size washer and dryers an attached SUV-Sized 2 car garage, and large open living spaces featuring vaulted ceilings.

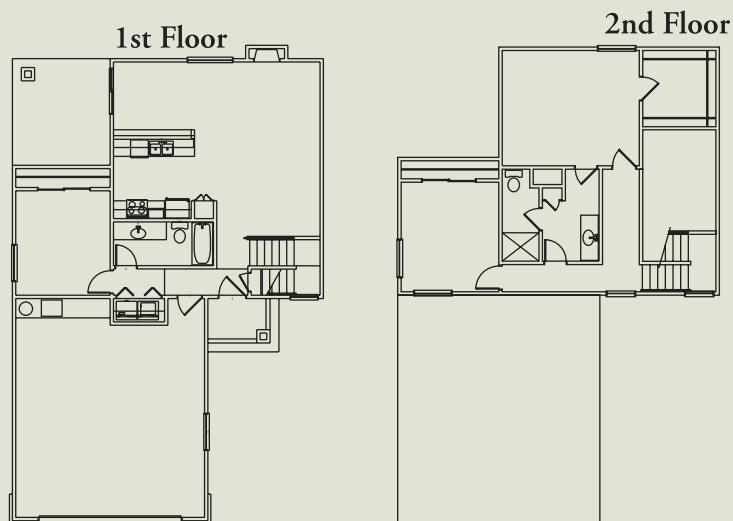

Silver Springs is a rental home community noted for innovative design, use of quality materials and meticulous construction.

You'll be glad you came home to Silver Springs.
